TEST 1

	Simpsh	Bash	Execline
System Time (s)	0.811	0.867	0.421
User Time (s)	0.064	0.086	0.036

TEST 2

	Simpsh	Bash	Execline
System Time (s)	0.858	0.872	0.344
User Time (s)	0.090	0.103	0.035

TEST 3

	Simpsh	Bash	Execline
System Time (s)	0.855	0.885	0.422
User Time (s)	0.080	0.098	0.032

According to the data above, execline is clearly the best way to run the tests when compared to bash and simpsh. Execline has almost a 2x speed increase when compared to bash and simpsh.
